Proxies solicited on behalf of the Board of Directors of FSB Community Bankshares, Inc. will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this Proxy Statement.**

Proxies may be revoked by sending written notice of revocation to the Secretary of FSB Community Bankshares, Inc. at the address shown above, delivering a later-dated proxy card or by attending the Annual Meeting and voting in person. If you are a stockholder whose shares are not registered in your name, you will need appropriate documentation from your record holder to vote in person at the Annual Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Except as otherwise noted below, record holders of FSB Community Bankshares, Inc.'s common stock, par value \$0.10 per share, as of the close of business on April 7, 2015 are entitled to one vote for each share then held. As of April 7, 2015, there were 1,785,000 and 1,780,086 shares of common stock issued and outstanding, respectively. As to the election of directors, the proxy card being provided by the Board of Directors enables a stockholder to vote FOR all nominees proposed by the Board, to WITHHOLD authority for all nominees, or to vote FOR ALL EXCEPT one or more of the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of Bonadio & Co., LLP as the independent accounting firm for the year ending December 31, 2015, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on such ratification. The affirmative vote of a majority of the shares cast at the Annual Meeting, without regard to either broker non-votes or shares as to which the "ABSTAIN" box has been selected on the proxy card, is required for the ratification of Bonadio & Co., LLP as the independent accounting firm for the year ending December 31, 2015.

PROPOSAL I — ELECTION OF DIRECTORS

Directors are divided into three classes, with one class of directors elected annually. Our directors are generally elected to serve for a three-year period and until their respective successors shall have been elected and shall qualify. Three directors will be elected at the Annual Meeting to serve for a three-year period and until their respective successors shall have been elected and shall qualify. The Nominating Committee of the Board of Directors has nominated James E. Smith, Alicia H. Pender and Lowell C. Patric each to serve for a three-year term to expire in 2018. Each nominee has agreed to serve as a director if elected.

The Board of Directors recommends a vote “FOR” each of the nominees listed in this Proxy Statement.

The table below sets forth certain information, as of March 31, 2015, regarding the nominees, the other current members of our Board of Directors, and executive officers who are not directors, including the terms of office of board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to any nominee) will be voted at the Annual Meeting for the election of the proposed nominees. If a nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may determine. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between any of the nominees or continuing directors and any other person pursuant to which such nominees or continuing directors were selected.

Board Independence

The Board of Directors has determined that each of our directors and nominees, with the exception of Mr. Gavenda, is "independent" as defined in the listing standards of the Nasdaq Stock Market. Mr. Gavenda is not independent because he is one of our executive officers.

Board Leadership Structure

At FSB Community Bankshares, Inc. the positions of Chairman of the Board and Chief Executive Officer have always been held by different individuals. The Chairman of the Board provides guidance to the Chief Executive Officer, is active in setting the agenda for Board meetings, and presides over meetings of the full Board. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company. Pursuant to Nasdaq listing rules, which the Company chooses to follow, the Audit Committee, Compensation/Benefits/Marketing Committee and Nominating Committee are comprised of and chaired solely by independent directors.

Board's Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are

reviewed and discussed at committee meetings) receives these reports from the appropriate “risk owner” within the organization to enable the Board or appropriate committee to understand our risk identification, risk management and risk mitigation strategies. When a committee receives the report, the Chairman of the relevant committee reports on the discussion to the full Board at the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Code of Ethics

FSB Community Bankshares, Inc. has adopted a Code of Ethics that is applicable to the Board of Directors and the Bank’s senior executive officers, including the principal executive officer, principal financial officer, principal accounting officer and all officers performing similar functions. There were no amendments made to or waivers from our Code of Ethics in 2014. The Code of Ethics is posted on our website at www.fairportsavingsbank.com.

Meetings and Committees of the Board of Directors

The business of FSB Community Bankshares, Inc. is conducted at regular and special meetings of the Board and its committees. In addition, the “independent” members of the Board of Directors (as defined in the listing standards of the Nasdaq Stock Market) meet in executive sessions. The standing committees of the Board of Directors of FSB Community Bankshares, Inc. are the Audit Committee, Compensation/Benefits/Marketing Committee; Nominating Committee; and the Asset Liability (“ALCO”) Committee.

During the year ended December 31, 2014, the Board of Directors had 12 regular meetings and three special meetings. No member of the Board or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the board of directors (held during the period for which he or she was a director); and (ii) the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served).

Audit Committee. The Audit Committee is comprised of Directors Lindsay (who serves as Chairman), Pender, Smith and Warshof. The Board of Directors has determined that Director Gary Lindsay qualifies as an “audit committee financial expert.” Information with respect to the experience of Mr. Lindsay is included in “Directors and Executive Officers.” Each member of the Audit Committee is “independent” in accordance with the regulatory standards.

Our Board of Directors has adopted a written charter for the Audit Committee, which is posted on our website at www.fairportsavingsbank.com. As more fully described in the Audit Committee Charter, the Audit Committee is responsible for providing oversight relating to our consolidated financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit function, annual independent audit and the compliance and ethics programs established by management and the Board. The Audit Committee met three times during the year ended December 31, 2014.

Nominating Committee. The Nominating Committee consists of Directors O’Neil (who serves as Chairman), Sturn and Lindsay each of whom is independent in accordance with the regulatory standards. The Nominating Committee met two times during the year ended December 31, 2014. Our Board of Directors has adopted a written charter for the Nominating Committee, which is posted on our website at www.fairportsavingsbank.com.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to FSB Community Bankshares, Inc.’s business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If there were a vacancy on the Board because any member of the Board does not wish to continue in service or if the Nominating Committee decides not to re-nominate a member for re-election, the Nominating Committee would determine the desired skills and experience of a new nominee, solicit suggestions for director candidates from all Board members and may engage in other search activities. Candidates should possess certain attributes, including integrity and a devotion to ethical behavior, a primary interest in the well-being of FSB Community Bankshares, Inc., a capacity for independent judgment, good business acumen, the capacity to protect confidential information, an ability to work as a member of a team and a willingness to evaluate other points of view.

In addition to examining a candidate's qualifications in light of the above attributes, the Nominating Committee would consider the following: the overall character of the candidate and any existing or potential conflict of interest; the candidate's willingness to serve and ability to devote the time and effort required; the candidate's record of leadership; and the ability to develop business for FSB Community Bankshares, Inc. In addition, our Bylaws provide that no individual may be nominated to the Board of Directors if the person has attained the age of 75 years.

We do not maintain a specific diversity policy, but diversity is considered in our review of candidates. Diversity includes not only gender and ethnicity, but the various perspectives that come from having differing viewpoints, geographic and cultural backgrounds, and life experiences.

During the year ended December 31, 2014, we did not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees for director.

The Nominating Committee may consider qualified candidates for Director suggested by our stockholders. Stockholders can suggest qualified candidates for Director by writing to our Corporate Secretary at 45 South Main Street, Fairport, New York 14450. The Corporate Secretary must receive a submission not less than 120 days prior to the anniversary date of our proxy materials for the preceding year's annual meeting. The submission must include the following:

- A statement that the writer is a stockholder and is proposing a candidate for consideration by the Committee;
- The name and address of the stockholder as such information appears on FSB Community Bankshares, Inc.'s books, and the number of shares of FSB Community Bankshares, Inc.'s common stock that are owned beneficially by such stockholder. If the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required;
- The name, address and contact information for the candidate, and the number of shares of common stock of FSB Community Bankshares, Inc. that are owned by the candidate. If the candidate is not a holder of record, appropriate evidence of the stockholder's ownership will be required;
- A statement of the candidate's business and educational experience;
- A statement detailing any relationship between the candidate and FSB Community Bankshares, Inc. or its affiliates;
- A statement detailing any relationship between the candidate and any customer, supplier or competitor of FSB Community Bankshares, Inc. or its affiliates;
- Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- A statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

Submissions that are received and that satisfy the above requirements are forwarded to the Chairman of the Nominating Committee for further review and consideration. A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in "Advance Notice Of Business To Be Conducted At An Annual Meeting".

The Nominating Committee did not receive any stockholder recommended nominees for inclusion in this Proxy Statement.

Compensation/Benefits/Marketing Committee

The Compensation/Benefits/Marketing Committee (the "Compensation Committee") of the Board of Directors of FSB Community Bankshares, Inc. is responsible for developing compensation guidelines and for recommending the compensation for the Chief Executive Officer, the Chief Financial Officer and other senior executive officers. The Compensation Committee consists of Directors Sturn (who serves as Chairman), Warshof, O'Neil and Patric. Each of the members is independent as defined in the Nasdaq listing standards. During the year ended December 31, 2014, the Compensation Committee met four times.

The role of the Compensation Committee is to review annually the compensation levels of the executive officers and directors and recommend compensation changes to the Board of Directors. It is intended that the executive compensation program will enable us to attract, develop and retain talented executive officers who are capable of maximizing our performance for the benefit of the stockholders. We seek to maintain compensation levels that are competitive with other financial institutions, and particularly those in our peer group based on asset size and market area.

The Compensation Committee considers a number of factors in its decisions regarding executive compensation, including, but not limited to, the level of responsibility and performance of the individual executive officers, the overall performance of FSB Community Bankshares, Inc. and compensation paid to executives at peer group financial institutions. The Compensation Committee also considers the recommendations of the Chief Executive Officer with respect to the compensation of executive officers other than the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer review the same information in connection with this recommendation.

The base salary levels for our executive officers are set to reflect the duties and levels of responsibilities inherent in the position and to reflect competitive conditions in the banking business in our market area. Comparative salaries paid by other financial institutions are considered in establishing the salary for the given executive officer. The Compensation Committee has utilized bank compensation surveys compiled by the American Bankers Association and other sources. In setting the base salaries, the Compensation Committee also considers a number of factors relating to the executive officers, including individual performance, job responsibilities, experience level, ability and the knowledge of the position. These factors are considered subjectively and none of the factors are accorded a specific weight.

Communications with the Board of Directors

Any stockholder who wishes to contact our Board of Directors or an individual director may do so by writing to: Board of Directors, FSB Community Bankshares, Inc., 45 South Main Street, Fairport, New York 14450, Attention: Corporate Secretary. Communications are reviewed by the Corporate Secretary and are then distributed to the Board of Directors or the individual director, as appropriate, depending on the facts and circumstances outlined in the communications received. The Corporate Secretary may attempt to handle an inquiry directly or forward a communication for response by another employee of FSB Community Bankshares, Inc., and the Corporate Secretary has the authority not to forward a communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

Benefit Plans

Employment Agreement. Fairport Savings Bank entered into an employment agreement with Dana C. Gavenda effective as of March 1, 2009. The agreement had an initial term of three years. After the initial three-year term under the agreement, the agreement renews for one year, unless Mr. Gavenda receives timely notification of the Board's intention not to renew the agreement, in which case the agreement will cease one year following such anniversary date. Mr. Gavenda's base salary for the plan year beginning March 1, 2014 was \$195,700 and the base salary for the plan year beginning March 1, 2015 is \$205,000. Mr. Gavenda's base salary is subject to annual approval which is conducted by the Compensation/Benefits/Marketing Committee of the Board, and may be increased. In addition to the base salary, the agreement provides for, among other things, participation in bonus programs and other employee pension benefit and fringe benefit plans applicable to executive employees, and use of an automobile and reimbursement of expenses associated with the use of such automobile. Mr. Gavenda's employment may be terminated for "cause" (as defined below) at any time, in which event Mr. Gavenda would have no right to receive compensation or other benefits for any period after termination. "Cause" means termination of Mr. Gavenda's employment by a vote of at least a majority of the entire membership of the Board because of (i) Mr. Gavenda's personal dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of any law, rule or regulation (other than traffic violations or similar offenses); or (ii) a final cease-and-desist order regarding Mr. Gavenda's employment with Fairport Savings Bank; or (iii) Mr. Gavenda's willful commission of any act that, in the judgment of the Board, would likely cause substantial economic damage to Fairport Savings Bank; or (iv) Mr. Gavenda's material breach of any provision of the employment agreement.

Mr. Gavenda is entitled to severance payments and benefits in the event of his termination of employment under specified circumstances. In the event Mr. Gavenda's employment is terminated by Fairport Savings Bank for reasons other than cause, disability, death, retirement or a "change in control," (as defined in the employment agreement) or in the event Mr. Gavenda resigns within 30 days following (1) the failure to elect or reelect or to appoint or reappoint Mr. Gavenda to his executive position, (2) a material change in Mr. Gavenda's functions, duties, or responsibilities, which change would cause Mr. Gavenda's position to become one of lesser responsibility, importance or scope, (3) a relocation of Mr. Gavenda's principal place of employment by more than 30 miles from its location at the effective date of the employment agreement or (4) a material reduction in the benefits and perquisites from those being provided to Mr. Gavenda as of the effective date of the employment agreement, including base salary (except for any Bank-wide or officer-wide reduction) or (5) a material breach of the employment agreement by Fairport Savings Bank, then following timely notice from Mr. Gavenda to the Board of such condition and the Bank's failure to timely remedy such condition, Mr. Gavenda (or, in the event of Mr. Gavenda's death, his beneficiary) would be entitled to a severance payment equal to the sum of (i) the highest base salary paid to Mr. Gavenda under the agreement, plus (ii) the cash bonus paid to Mr. Gavenda under the agreement during the last year prior to the termination date. The present value of such severance shall be paid as a lump sum within 30 days of Mr. Gavenda's termination of employment, or, if required in order to avoid penalties under Internal Revenue Code Section 409A, then the payment shall be made on the first day of the seventh month following Mr. Gavenda's termination of employment. If the Bank is not in compliance with its regulatory capital requirements or if the payments would cause the Bank's capital to be reduced below its regulatory capital requirements, the payment shall be deferred until such time as the Bank is in capital compliance. Additionally, Mr. Gavenda would be entitled to the continuation, at the Bank's expense, of life insurance coverage and non-taxable medical and dental insurance coverage for 12 months. In the event these severance payment provisions of the employment agreement are triggered, as of April 1, 2015, Mr. Gavenda would be entitled to a cash severance benefit in the amount of approximately \$257,000.

In the event of a termination following a "change in control" (as defined in the employment agreement) of Fairport Savings Bank or FSB Community Bankshares, Inc., Mr. Gavenda (or, in the event of his death, his beneficiary) generally would be entitled to a severance payment equal to three times the sum of (i) Mr. Gavenda's highest base salary during the term of the employment agreement, and (ii) the greater of (x) the average annual cash bonus paid to Mr. Gavenda under the agreement during the last three years prior to the termination date or (y) the cash bonus paid to Mr. Gavenda for the most recent fiscal year prior to the termination. Such severance shall be paid as a lump sum within 30 days of Mr. Gavenda's termination of employment, or, if required to avoid penalties under Internal Revenue Code Section 409A, then the payment shall be made on the first day of the seventh month following Mr. Gavenda's termination of employment. However, if the change in control occurs after Mr. Gavenda has attained age 62 or after implementation of a Board-approved stock-based benefit plan, the amount that Mr. Gavenda will receive is equal to the sum of (i) the highest annual rate of base salary paid at any time under the agreement, and (ii) the greater of (x) the average annual cash bonus paid with respect to the one year prior to the termination or (y) the cash bonus paid with respect to the fiscal year ended prior to the termination. If the Bank is

not in compliance with its regulatory capital requirements or if the payments would cause the Bank's capital to be reduced below its regulatory capital requirements, the payment shall be deferred until such time as the Bank is in capital compliance. Additionally, Mr. Gavenda would be entitled to the continuation, at the Bank's expense, of life, health and disability insurance coverage for 12 months. Any payments to Mr. Gavenda would be reduced, if necessary, so as not to be an "excess parachute payment" as defined by Code Section 280G (relating to payments made in connection with a change in control). In the event these severance payment provisions of the employment agreement are triggered, as of April 23, 2015, Mr. Gavenda would be entitled to a cash severance benefit in the amount of approximately \$257,000.

Should Mr. Gavenda become disabled during the term of the agreement, he would receive proceeds from a supplemental senior executive disability insurance policy, where the Bank pays the premiums for such insurance policy, and the Bank would continue life and health care coverage for Mr. Gavenda through the period of the disability insurance coverage. In the event Mr. Gavenda dies while employed by the Bank, his estate will be paid Mr. Gavenda's base salary for one year and his spouse will be entitled to continuation of medical, dental and other insurance benefits for one year after his death.

Upon termination of Mr. Gavenda's employment, Mr. Gavenda agrees for a period of two years following termination of employment not to serve as an officer, director or consultant with any financial institution operating in Monroe County, New York with assets of less than \$1.0 billion, but such period is reduced to one year if Mr. Gavenda's termination of employment is following a change in control.

Supplemental Executive Retirement Plans. Effective May 1, 2006, Fairport Savings Bank established a Supplemental Executive Retirement Plan ("SERP") with Dana C. Gavenda, our Chief Executive Officer. Under the terms of the SERP, on May 1, 2006 and on each anniversary date thereafter through the earlier of May 1, 2016 or the date Mr. Gavenda terminates employment, Fairport Savings Bank will credit a specified amount to Mr. Gavenda's accrued SERP obligation account (the "SERP Benefit"). The maximum aggregate value of the SERP Benefit as of December 1, 2016 will be \$595,557, which is intended to provide a 15-year period certain annuity of approximately \$60,000 per year. The SERP Benefit will not be credited with earnings nor debited for losses or expenses. Mr. Gavenda is 100% vested in his SERP Benefit at all times. The SERP Benefits will be paid to Mr. Gavenda in equal monthly installments for 15 years, beginning on the date that is six months after the later of (i) the date he terminates employment or (ii) attains age 65. In the event Mr. Gavenda dies while receiving payments, his designated beneficiary shall continue to receive the remaining payments. If Mr. Gavenda dies before he is eligible to receive payments, the SERP Benefit shall be forfeited.

If Mr. Gavenda's employment is terminated for "cause" (as defined in the next sentence), then he will forfeit all SERP Benefits. "Cause" means of termination of Mr. Gavenda's employment due to any of the following: (a) engaging in willful or grossly negligent misconduct that is materially injurious to Fairport Savings Bank; (b) embezzlement or misappropriation of the funds or property of Fairport Savings Bank; (c) conviction of a felony or the entrance of a plea of guilty or nolo contendere to a felony; (d) conviction of any crime involving fraud, dishonesty, moral turpitude or breach of trust or the entrance of a plea of guilty to such a crime; (e) failure or refusal to devote full business time and attention to the performance of his duties, if such breach has not been cured within 15 days after notice is given; (f) issuance of a final non-appealable order or other direction by a federal or state regulatory agency prohibiting Mr. Gavenda's employment in the business of banking; or (g) violation of a non-compete or non-solicitation agreement.

In the event Mr. Gavenda terminates employment due to "disability" (as defined in the next sentence), the SERP Benefit shall be paid to him in a lump sum no later than 90 days after the date he terminated employment. Mr. Gavenda shall be treated as having a "disability" if: (a) he is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months; or (b) he is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of not less than three months under an accident and health plan covering employees of Fairport Savings Bank.

In the event of a "change in control" (as defined in the SERP) of Fairport Savings Bank, the SERP Benefit shall be paid to Mr. Gavenda in a lump sum as soon as administratively feasible but no later than 90 days after his termination of employment following the change in control, unless such payments are subject to Internal Revenue Code Section 409A, in which case such payment will be made on the first day of the seventh month following Mr. Gavenda's termination of employment. In the event the SERP is terminated, the SERP Benefit shall be paid to Mr. Gavenda in the form of equal monthly installments starting on the first day of the calendar month that is 12 months

after the termination of the SERP and ending no later than 24 months after the termination of the SERP (or such other payment schedule as may be required in order to comply with Internal Revenue Code Section 409A).

Effective August 1, 2010, Fairport Savings Bank established a Supplemental Executive Retirement Plan (“SERP”) with Kevin D. Maroney, Chief Financial Officer and Chief Operating Officer. Under the terms of the SERP, upon separation from service after attaining age 65, Fairport Savings Bank will pay Mr. Maroney a monthly installment of \$2,500 starting on the first day of the month after his separation from service and continuing for 15 years. If Mr. Maroney has a separation from service before age 65 or within 24 months after a change in control (as defined in the SERP) or if he experiences a disability (as defined in the SERP) before age 65 or if he dies, then he will be paid a lump sum equal to the accrual balance under the SERP on the first day of the month following his separation from service, subject to a 6-month delay in payment, if Mr. Maroney is a “specified employee” as required by Section 409A of the Internal Revenue Code of 1986, as amended. However, no SERP benefits are payable if Mr. Maroney’s separation from service is for cause (as defined in the SERP). Effective October 7, 2011, the Supplemental Executive Retirement Agreement was amended upon mutual consent of the parties to increase the Normal Retirement Benefit from \$30,000 to \$40,000 annually after separation from service and continuing for 15 years.

Change in Control Agreement. On February 23, 2012, Fairport Savings Bank entered into a Change in Control Agreement (the “Agreement”) with Kevin D. Maroney, Chief Financial Officer and Chief Operating Officer (the “Executive”), to provide benefits to the Executive in the event of the Executive’s termination of employment due to a “change in control” (as defined in the Agreement) of Fairport Savings Bank, FSB Community Bankshares, Inc. or FSB Community Bankshares, MHC. In the event the Executive’s employment is terminated within 24 months following a change in control, except in the event the Executive’s voluntary resignation is not for “good cause” or the Executive’s involuntary termination is “for cause” (as defined in the Agreements), the Executive will be entitled to an amount equal to two times the sum of the Executive’s highest annual base salary at any time under the Agreement and the greater of (i) the average annual cash bonus paid to the Executive over the prior three fiscal years or (ii) the cash bonus paid to the Executive for the fiscal year which ended prior to the termination, provided that in no event will total severance compensation from all sources equal or exceed three times the Executive’s average annual compensation over the five fiscal years preceding the fiscal year in which the termination of employment occurs. Payments under the Agreements will be made over a 12-month period. In the event of the Executive’s death, the benefit will be paid to the Executive’s surviving spouse or, if no surviving spouse, to the Executive’s estate.

In addition, in the event of a change in control followed by the termination of the Executive’s employment within 24 months, unless such termination is “for cause” or the Executive’s resignation is not for “good cause,” the Bank will continue life, health and disability insurance coverage, substantially identical to the coverage maintained by the Bank for the Executive prior to the change in control, for a period of 12 months, at the Bank’s expense. In the event the termination benefits under the Agreement would constitute a “parachute payment” under Section 280G of the Internal Revenue Code of 1986, as amended, such termination benefits would be reduced accordingly. Payment of the termination benefits will be conditioned upon the execution of a general release releasing the Bank from any claims. Further, the Agreements require the Executive to comply with non-compete and confidentiality provisions; in the event the Executive fails to comply with such provisions before all termination benefits have been paid, the Bank will be under no obligation to make any further payments following discovery of the Executive’s failure to comply.

Executive Compensation Clawback Agreements. On February 23, 2012, the Bank entered into an Executive Compensation Clawback Agreement (the “Agreement”) with Kevin D. Maroney. Under the Agreement, the Executive acknowledges that he will not be entitled to receive any payments due under the Incentive Compensation Program offered by the Bank (the “Incentive Plan”) and/or may be required to repay any payments previously received under the Incentive Plan in the following circumstances: (a) the Executive’s Incentive Plan payment was conditioned upon achieving certain financial results that were subsequently the subject of a substantial restatement of the Bank’s financial statements and the Executive engaged in misconduct that caused the need for the substantial restatement, and a lower payment would have been made to the Executive based upon the restated financial results, or (b) the board of directors of the Bank determines that the Executive has engaged in fraud, gross negligence or willful misconduct detrimental to the Bank. If the Bank determines that one of the circumstances described above has occurred, the Executive will be notified and will have ten days to request a reconsideration of the Bank’s determination. If the Executive fails to request reconsideration and/or the Bank elects not to reconsider its determination, the Executive will be liable for repayment of all Incentive Plan payments paid within the preceding three years or during the period of conduct examined, whichever is longer. The Bank is entitled to offset any such liability against any compensation owed to the Executive by the Bank and the Executive will become

ineligible to receive any further Incentive Plan payments. In the event the Executive is required to repay any amount to the Bank, such repayment will be due within one year from the Bank's notification of the repayment obligation. In the event such repayment obligation triggers income tax penalties to the Bank or the Executive, the Executive will be solely responsible for the payment of such taxes.

401(k) Plan. Fairport Savings Bank sponsors a 401(k) plan for eligible employees who have attained age 21 and completed one year of service. The Plan allows employees to contribute from 1% to 100% of their annual salary subject to statutory limitations. Matching contributions made by Fairport Savings Bank are 100% of the first 6% of compensation that an employee contributes to the 401(k) Plan. In addition, Fairport Savings Bank may make a discretionary contribution of up to 2% of each eligible employee's annual base compensation including the ESOP. In 2014, the aggregate discretionary contribution to the 401(k) Plan was \$70,000.

Stock Benefit Plans

Employee Stock Ownership Plan and Trust. Fairport Savings Bank implemented an employee stock ownership plan in connection with FSB Community Bankshares, Inc.'s 2007 initial stock offering. As part of the offering, the employee stock ownership plan borrowed funds from FSB Community Bankshares, Inc. and used those funds to purchase 69,972 shares of the common stock. The shares of the common stock are the collateral for the loan. Employees who are at least 21 years old with at least one year of employment with Fairport Savings Bank are eligible to participate. The loan will be repaid principally from discretionary contributions by Fairport Savings Bank to the employee stock ownership plan over a period of not more than 20 years. The loan may be repaid over a shorter period, without penalty for prepayments. The interest rate on the loan equals the prime interest rate at the closing of the stock offering, and will adjust annually at the beginning of each calendar year. The total expense for the employee stock ownership plan for 2014 was \$29,000.

The shares purchased with the loan are held in a suspense account and are allocated to participants' accounts in the employee stock ownership plan as the loan is repaid. Participants will have no interest in the shares in the suspense account and only have an interest in the shares actually allocated to their accounts as the loan is repaid. Subject to IRS rules, through December 31, 2009, contributions to the employee stock ownership plan and shares released from the suspense account were allocated among employee stock ownership plan participants on the basis of a uniform point allocation formula whereby one point is awarded for each \$1,000 of eligible compensation and two points are awarded for each year of service. Beginning January 1, 2010, allocations were made to participants in the ratio that their compensation bears to the compensation of all plan participants. Benefits under the plan become vested at the rate of 20% per year, starting upon completion of two years of credited service, and will be fully vested upon completion of six years of credited service, with credit given to participants for up to three years of credited service with Fairport Savings Bank prior to the adoption of the plan. A participant's interest in his account under the plan will also fully vest in the event of termination of service due to a participant's normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits will be payable generally in the form of common stock, or to the extent participants' accounts contain cash, benefits will be paid in cash. Fairport Savings Bank's contributions to the employee stock ownership plan are discretionary, subject to the loan terms and tax law limits. Therefore, benefits payable under the employee stock ownership plan cannot be estimated. Pursuant to the accounting guidance governing employers' accounting for employee stock ownership plans, we are required to record compensation expense each year in an amount equal to the fair market value of the shares released from the suspense account. In the event of a change in control, the employee stock ownership plan will terminate.
